

Forward Chicago is a grassroots all-volunteer, 501(c)(3) non-profit that connects neighbors, businesses and local organizations to build a stronger community. Together, we're creating a neighborhood where people of all ages are active, engaged and influential.

## 2017 - A Blank Slate

We keep hearing about livable communities... places for all ages, neighborhoods where transit, walkability, and things to do are abundant. Green spaces, safe spaces, open spaces and more. Yet what does it all mean? And how do we get there?

One of the things that research continues to show is that no matter how good your neighborhood is, if you don't get out and get connected you become lonely, isolated and often depressed. And even more research shows that the physical and psychological impact of loneliness is tremendous. That means we need to (even in winter) get ourselves out and connected with interests, people and things that light up our lives. And if we don't know what they are anymore, or we are bored with the same old things, we need to take a leap and try something new.

Forward Chicago has led efforts to connect our community for years. Driven by volunteers, we have ignited interests, provided opportunities for people to make new friends and try new things and shown the power of people working together for something they care about. We have enriched the experience of aging in an already vibrant community.

2016 was a tremendous success. Tana D. continued to lead our Bridge group and began a Great Decisions Discussion Group that ran for 9 weeks, touching on

**New Life for Old Bags**

topics from all over the world. Pat W. spearheaded our first ever historic site scavenger hunt, "Where in the Square?", to honor the wonderful history of our neighborhood. This event brought together all ages and the hidden history around us. We can't wait to do it again next year! Jerry P. (our Facebook Guru) and the Walking Club walked all year, throughout our neighborhoods. We welcomed the return of the #11 Lincoln bus and will continue to fight for expanded and ongoing service in the new year.

Livable community... we are one. We're making the neighborhoods for our future, and we want you to join us. As the year ends and we reflect on the importance of our neighbors, our sense of community and the work we do for tomorrow, our mission has never seemed more crucial. Please join us by donating, coming to events and volunteering – we can't wait to see you! 2017 is a blank slate – let's start coloring outside the lines.
